As a part of Faculty Empowerment Strategies, the IQAC organises a Teachers Orientation Programme (TOP) once a year. Due to the Covid-19 outbreak, the concept of work from home was applied from 18th March 2020. Considering the need of the situation, the IQAC has planned the TOP in a novel manner. All teachers are informed to go through the following schedule of online lecturers and attend to them by clicking the link. At the end of every day sessions and the programme end, online tests will be conducted to evaluate the learning level of participants. Based on the test results the certificates of participation will be given to the teachers. In short, each participant has to give 7 feedbacks/tests (5 daily feedbacks, a NPTEL Online Course feedback and a final feedback at the end of the programme).
