Continuous Learning & Edutainment: 2018-19

Continuous learning and educating is one of the aims of our institute. Last year on **2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> June**, **14 college teachers** visited **Manashakti Kendra-Lonawala** for educating us on teaching differently to different types of students as per their IQ and behaviours. The college provides funding for such events. We have learned many aspects of behavioural approaches. Teachers not only learned many things but also enjoyed themselves by visiting Wet & Joy Water Park, Wax Museum and nearby market. Not only learning and enjoying but also the sharing of happiness and some personal satisfaction was there. This helped a lot in reducing sorrows, increasing happiness, knowledge and meaningful life, harmonious relationship among staff. This is what expected from higher education: A meaningful and happy voyage towards teaching and learning.
