Class Teacher (Mentor) scheme is adopted in the college to evaluate students' behavioural patterns and provide assistance accordingly. Class teacher is appointed for each class at the beginning of academic year that will be responsible for solving the problems related to the particular class and most importantly he has to evaluate students' behavioural patterns, find interest, skills and provide information to the department. The department will provide the details of the students to different departments and cells to utilize their talents in different fields like sports, NSS, NCC, cultural activity, debate, anchoring, event management etc. some of the students who need guidance and counseling on different issues will be addressed by the class teacher himself. **Total 36 Mentors were selected for this task.**

There is separate committee to address different behaviours and issues related to girl students which is chaired by the Head of the Women Empowerment Cell. This committee constitutes with other Lady Teachers who will monitor and mentor the girl students. Any unexpected behaviours are addressed by proper counseling by this committee.
