

DAYANAND COLLEGE OF COMMERCE, LATUR

Seminars, Group Discussion, Brain Storming Sessions-2017-18

The college conducts seminars, group discussion and brain storming sessions in for each class. Class teachers are appointed for this particular task. Students are motivated to give presentation or seminars on different topic of Commerce & Management and the issues of social importance are also addressed in this task. Group discussions on different topic are also conducted to demonstrate the abilities of the students and we try to enhance those abilities by proper guidance so that students can stand strongly in the competition.

Brain storming session is one of the important tasks which need to be performed by the class teachers in every class. As students' strength is very high, it is necessary to arrange such sessions in each class. Class teachers start discussing on the important topics of the year and encourage students to express their views on the topic. In this way students are encouraged to express their opinion on the important topics and gain confidence from this special event which is organized in every class every year.
