Report on Collaborative Events with MIDSR Dental College and Research

Our college knows its social responsibility towards society and with reference to this every year we give free health checkup and dental checkup facility to the financially weaker section of the society. The MIDSR Dental College and Research is a collaborative partner who helps us to take this kind of events. Our students take active part in organization, conduction of these events. It is a kind of field work experience for them. The details of the events are as follows:
