**Collaborative Events with Institute of Chartered Accountants of India (ICAI),  
New Delhi**

For Chartered Accountant exams, our students used to go to other nearby cities approx 300 kms away such as Aurangabad, Hyderabad etc. We raised this issue before our Alumni (Chartered Accountants) and through the local chapter of CAs we were able to get the sanction for the CA exam centre. This has resulted in saving of money, time and resources of our students as well as other students from our locality.

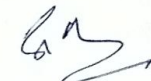

Since then, the college is conducting these national examinations twice a year; CA-CPT exams normally in June and December and CA- Intermediate and Final exam normally in May and November each year. Considering the college performance, the ICAI has continued the linkage from 2009 till date. Some of the correspondence with the institute is given here as the proof. As this is an examination related confidential matter, only sample correspondence is given here.

The list of collaborative events organized with the institute is given below;
