Collaborative Events with Tata Consultancy Services (TCS)

Tata Consultancy Services Limited (TCS) is an Indian multinational information technology (IT) service and consulting company headquartered in Mumbai. It conducts various online examinations across the country. Our college entered into MoU with TCS on 1st December 2013 as the recognized test centre. Since then a number of exams are conducted in the college.

Considering the performance of the college and good linkages, after the expiry period of the MoU, a fresh MoU was signed on 06th March 2017. The list of all collaborative events is given below;
