

DAYANAND COLLEGE OF COMMERCE, LATUR
ACTION TAKEN REPORT ON FEEDBACK RECEIVED ON CURRICULAM
ACADEMIC YEAR 2017-18

The action taken report of the feedback received on curriculum for the Academic Year 2017-2018 from different stakeholders as recorded in the minutes of **LMC/ CDC** meetings held on during the month **17 May, 2018** is as follows:

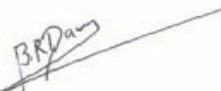

Sr. No	Particulars of Stakeholders	Suggestions	Action taken as recorded in LMC/ CDC Minutes
1	PARENTS	SWAYAM Courses to be part of curriculum	The IQAC started the procedure for NPTEL local chapter. IIT Kanpur affiliated the college as the Local Chapter from November 2017. The first batch courses started in January 2018.
		Campus Interview should be taken	based on the feedback received the college will take campus interviews from the next year
		More need practical based subjects	Skill Enhancement Courses is started from the current year
		Give ICT Smartboard Facilities	ICT facility is started. Smartboard facility is taken into consideration
		Increase the No of Computers for Practical Assignments work	As per need & requirement , the no. of computers are increased
2	ALUMNI	More choice should be given to students in CBCS.	From 2018-19, for the third year students, SEC (Skill Enhancement Courses) will have more choice. A student will be able to select a course out of five as per his interest.
		Start Online Job oriented Professional courses	Tally, NISM, NPTEL etc online job oriented professional courses are started
		Guide for set/net preparation and competitive exams	The faculty members guide to students about SET/NET preparations and also Guest lectures are arranged through various committies.

		to increase placement cell and to complete syllabus before semester exam	Placements are increased. The syllabus is already completed by every faculty as per teaching plan.
		Scholarships Support from College	A special committee for Scholarship is formed which attempts to provide scholarship to maximum students
3	TEACHERS	Infrastructural improvements should be as per the current technology so that the effectiveness of curriculum is increased.	ICT, Computer Labs and Smartboard facility is provided as per latest technology.
		Provision of sufficient autonomy to the faculty members regarding different activities including the curriculum framing, implementation etc.	Various committees are formed in the college. The committee incharge & all members have freedom in decision in various activities particularly the teaching methodology, use of audio-visual devices etc. There are some committees related with curricular aspects.
		College should provide Computer with internet facility and classrooms with projectors for better understanding	ICT, Computer Labs and Smartboard with Internet facility is provided as per latest technology.
		College have to replace black boards with white boards and smart boards for effective teaching	Few Smartboards & whiteboard classrooms are already provided for effective teaching.
		Introduce soft skills in curriculum	A NOC course "Developing soft skills" started in January 2018. Another NOC course "Enhancing soft skills" started in June 2018.
		Special courses in financial sector is the need.	NISM 2 Courses (Mutual Funds and Securities Markets Foundation) are introduced in the second term.
		College time should be morning	The suggestion is forwarded to LMC/CDC. But not found suitable for implementation.

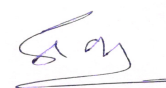

4	STUDENTS	In syllabus, giving more practical knowledge about computer application which will be applicable and eligible for student future career	Tally course revised to include the GST component. The classes are conducted using computer and business labs for practice purpose. In 2018-19, the Skill Enhancement course in Tally will be implemented by the university.
		By arranging extra classes for learning project development knowledge.	As per need & requirement, extra classes project work are arranged
		For online certification programmes there is need of headphones to listen video lectures	The suggestion is taken into consideration and forwarded to the authorities.
