Collaborative Events with New Delhi, The Institute of Company Secretaries of India(ICSI)

For Chartered Accountant and Company Secretaries exams, our students used to go to other nearby cities approx. 300 kms away such as Aurangabad, Hyderabad etc. We raised this issue before our Alumni (Chartered Accountants) and through the local chapter of CS we were able to get the sanction for the CS exam centre. This has resulted in saving of money, time and resources of our students as well as other students from our locality.

Since then, the college is conducting these national examinations twice a year; CS- Executive and Professional exam normally in December and June each year. Considering the college performance, ICSI has continued 2020 till date. Some of the correspondence with the institute is given here as the proof. As this is an examination related confidential matter, only sample correspondence is given here.
