These activities foster deeper understanding, encourage diverse perspectives, and improve confidence in expressing ideas.</p> |              |             |             |       |

### 14 Complete Activity Report (Description)

The group discussion activity conducted in the classroom proved to be a highly engaging and insightful session. A total of 59 B.com TY (Banking & Insurance) students participated, demonstrating enthusiasm and a keen interest in the topic. Group discussions in which students were divided into smaller teams to analyze and debate different aspects of the topic.

Throughout the activity, students actively contributed their ideas, listened to their peers, and engaged in

meaningful discussions. Overall group discussion activity successfully enhanced students' analytical and communication skills. The positive outcomes of this session suggest that similar interactive learning activities should be conducted regularly to further develop students' intellectual and social abilities.
