About College ...

: Vision :

“Let all the noble, divine thoughts come to us from all directions of the universe.”

: Mission :

“वयं उत्तमं करियरं निर्मायः” “We Build Excellent Careers”

“उद्यमेन हि सिध्यन्ति” : “Efforts Lead to Success”

Goals

- Develop entrepreneurial mind-set
- Develop managerial skills
- Provide manpower for financial administration of trade, industry and commerce
- Build the multi-dimensional personality
- Development of skills for global scenario

Dayanand Education Society (DES) established in 1961 and Dayanand College with Arts, Commerce and Science disciplines. In 1967, Science College got separated, while in 1971 Arts and Commerce became independent colleges.

In 1961, the then Governor of Maharashtra Shri. Shriprakash set the founding stone of the building of DES and today it has branched itself into almost a mini University. The society's 22 acres of spacious campus incorporates independent spacious buildings of eight colleges, Laboratories, boys' and women's hostels and library building. A spacious canteen, a grand auditorium, society office, many well equipped play grounds, indoor stadium and lush greenery add to the educational environment of the campus. The parents crave to enroll the future of their children in the campus. The staff feels immensely honoured in serving this society.

Initially Dayanand College of Commerce was permanently affiliated to Marathwada University, Aurangabad upto 1995 and then to Swami Ramanand Teerth Marathwada University, Nanded. The college is recognized under 2 (f) and 12 (b) of the UGC Act. Started with the objective of offering good educational facilities at affordable costs to the common students, Today it is serving the under privileged and vulnerable section of the society.

There are more than 75% of the enrolled students in the college from socially and economically backward sections, minority and rural areas. The college offers 8 academic programmes, comprising of 06 UG, 1 PG level, 1 Ph.D., Upcoming Programme -2 (MCA & MBA) and many Value-added courses

Accreditation Status :

The National Assessment and Accreditation Council (NAAC) has accredited the college with the status of 'A+' with CGPA of 3.38 on 30th Jan. 2025.

Recognition & Affiliation of the University :

The college was establishment in the month of June, 1961 and has been granted temporary affiliation by Marathwada University, Aurangabad. On 24th April, 1978 the college has been granted permanent affiliation by the university. From the academic year 1995-96 with the establishment of Swami Ramanand Teerth Marathwada University, Nanded, the college is affiliated to this university.

Recognition of the University Grants Commission:

The college has been included U/s 2 (F) by UGC letter No.F-13/70 (CD) : Dt.03.11.1970..

Department of Commerce

Dr. M. S. Ashtekar
HoD

Department of Commerce & Management Science:

The department is one of the oldest departments of commerce in Marathwada region (8 districts of Maharashtra) established in 1961. It is the Biggest Department of Commerce with highest strength of teachers and students in the SRTM University area. It has an excellent research centre in Commerce and Management, computers with internet facilities, library services etc.

The Department takes initiative in university's various programmes and schemes. At least a single Interdisciplinary programme (Conference, workshop, seminar, Ph.D. course work etc.) is arranged in a year. Effective use of ICT tools by teachers for TLE, Unique events for students (Verve- Management Skills, Financial

Literacy- Finance, Avishkar-Research, AanandNagri- Marketing, College Day-Teaching),

UGC NET/SET Coaching centre are the special features of the department.

B.Com (Aided & Unaided):

A B.Com (Bachelor of Commerce) degree provides a foundational understanding of business principles, finance, and accounting, making it a valuable asset for various careers. B.Com graduates can pursue diverse career paths, including accounting, finance, banking, marketing, management, and more. The demand for commerce professionals is high, offering B.Com graduates stable career options and opportunities for advancement.

M.Com. (Aided & Unaided):

The post graduate program provides the students advanced knowledge in the field of business and management and also enables the students to acquire the basic skills required for carrying out business activities, research, stock market operations, accounting practices, etc.

The program also provides them with adequate knowledge and skill to provide consultancy services in finance and marketing. Similarly after completion of the program students can confidently prepare for NET, SET, and other competitive examinations of their choice. Our College is a recognized Research Center of SRTM University, Nanded. There are 7 Recognized Research Guides under the faculty of Commerce,

B. Com with Computer Application

Ms. M. V. Patne
Course Coordinator

Bachelor of Commerce (B. Com) with Computer Applications is an undergraduate degree that integrates the fundamentals of commerce with the technical know-how of computer applications. This program aims to equip students with a strong foundation in accounting, finance, and business management while also developing proficiency in computer programming, database management, and software applications commonly used in business processes.

The course is designed for students who wish to pursue a career in commerce with an added edge of computer skills, making them well-suited for today's technology-driven business environments.

Programme Objectives:

1. To provide a solid foundation in commerce subjects such as accounting, taxation, economics, and business law.
2. To equip students with essential computer knowledge, including programming languages, software applications, and database management systems.
3. To develop analytical and decision-making skills by integrating business strategies with modern technology tools.

Programme Outcomes:

1. Develop foundational knowledge in commerce, accounting, and business practices.
2. Gain practical skills in computer applications, including programming, databases, and office software.
3. Prepare for careers or further studies in commerce, IT, finance, or business management fields.

Department of Languages

The department includes Marathi, Hindi & English subjects. Ours is a single faculty commerce college. So, the subjects like Hindi and Marathi are optional for the commerce students. English is the compulsory subject. Language plays a vital role in the field of Business and Commerce. A successful businessperson should be fluent in his/her communication. Reading bookish English is not only enough but practical usage of the language is important to develop one's personality. 25 marks are given for the internals i.e. Assignments, Unit Tests, Viva-voce, Seminars, Interviews, etc. The department establishes 'Bhasha Vangmay Mandal' every year.

The English Department offers Spoken English Certification Course and Business English Certification Course for students in every year. The students are provided short-term training to speak English fluently. The competitions like essay writing, letter writing, debate, Poster Presentation are organized through department of Languages. The students write different articles, poems, essays, and quotations in the Annual Report of our college.

The Hindi Department celebrates 'Hindi Divas' on 14 September, every year. It actively contributes in the progress of national language Hindi and develops students' interest in Hindi Language. The Marathi Department organizes 'Marathi Language Day' on 27th Feb, every year to celebrate the Birth Anniversary of poet Kusumagraj. "Marathi Bhasha Pandharvada" is organized every year through the department. The department of languages also offers Geeneric Elective subject for commerce students.

MBA Programme

Our college proudly started the Bachelor of Business Administration (BBA) program in 2008, and since then, it has been running successfully with consistent academic growth and student development. Over the years, we have nurtured many aspiring business professionals who have gone on to pursue higher studies and successful careers. Understanding the aspirations and challenges faced by students in accessing quality postgraduate education, we are now launching the Master of Business Administration (MBA) program under the approval of AICTE. This new offering will provide our students with the opportunity to continue their management education within the same academic environment they trust. Our aim is to deliver industry-relevant knowledge, practical exposure, and a strong foundation for leadership in business.

The lifeline of any professional institute depends upon as to how many students it has been able to place. Keeping this in view we have entered in to a strategic alliance with many industries who would be our training & placement partners. The training and Placement Cell of the institute have the state of Art Technology powered physical and virtual infrastructure that lives up to the requirements of the new age recruiters hunting for talents from nearby to far off places. Computer labs are with internet connection to provide with the essentials of modern day needs. The Audio- Visual aids, movie viewing, video conferencing, etc are such additions to complement the physical structures raised for Training and Placement purpose.

Our recruiters need

- To acquire affordable and unique talents for management pool
 - To add a new valuable team mate to ensure productivity
- To get a specific project managed by right talents in a time frame with quality assurance.
- To maximize long term organization benefit.

- To develop employability and technical skills for optimum growth
- To apply talent and life skills at work place to optimize productivity
- To gain expertise at work place for organizational benefits
- To enhance employment opportunities & potential

Knowledge Resource Centre (Library)

Dr. Vitthal Jadhav
Librarian

Library Collection and Automation

The library of Dayanand College of Commerce, Latur has a total collection of 51,082 books. The library is fully automated using SOUL 3.0 software, ensuring complete management of all library services.

Digital Library and IT-Resources: Online Access

The library offers access to e-journals and e-books through N-LIST and DELNET platforms.

Digital Library: To facilitate digital access, the library has 10 dedicated computers available for students and faculty to search resources using Web-OPAC at <http://103.77.152.163/WebOPAC>

Library Website: <https://dcllibrary.wixsite.com/commerce-latur>

LIEEYY: Library Initiative to Educate, Enrich and Empower the Youth

1. **Lecture: "Let's Talk About Books!"** – Held on 12th August
2. **Book Exhibition – "Reading Inspiration Day"** – Held on 15th and 16th October
3. **Vachan Sankalp Maharashtraaacha** – Lecture – Held on 1st January
4. **Best Book Reader Competition:** This year-long competition is organized to promote a culture of reading among students. Participants are encouraged to read non-curricular books and submit a brief written review of each book to the library.

At the end of the academic year, students who read the highest number of books and submit quality reviews are ranked accordingly, and prizes are awarded.

5. **Best Book Review Competition:** This year-long competition begins as soon as students take admission. Participants are required to read non-curricular books and submit a detailed book review of more than 1200 words to the library.

Prizes are awarded to the best reviews.

6. **Only one Goal: "18 Hours Study"** – Held on 13th April

7. **Earn and Learn Scheme** – The "Earn and Learn Scheme" is implemented by the library to support needy and meritorious students.

Students' Holistic Development through Various Cells & Activities

1. Skill Development Center
2. Slow Learners Cell (Remedial Coaching)
