

DAYANAND COLLEGE OF COMMERCE, LATUR

Academic Year : 2025-26

Activity Name : Seminar on Banking and Insurance Auditing & its related topics

❖ Number of Participant: 25

Date of the activity: 10.03.2026

Class : B.Com TY (E)

Introduction: A classroom activity in the form of a seminar was organized to provide students with knowledge about the concept and importance of banking and insurance auditing. The activity aimed to create awareness among students regarding the auditing procedures followed in banking and insurance sectors. During the seminar, students were introduced to the basic principles, objectives, and practices of auditing in financial institutions. The discussion also highlighted the role of auditors in ensuring transparency, accountability, and financial discipline in banks and insurance companies. Students actively participated in the seminar by asking questions and sharing their views, which made the activity interactive and informative.

Objectives of the Activity

- To familiarize students with the concept of banking and insurance auditing.
- To develop understanding about the role and responsibilities of auditors in financial institutions.
- To enhance students' knowledge about auditing procedures followed in banks and insurance companies.
- To encourage students to participate in academic discussions and improve their presentation and communication skills.

Outcomes of the Activity

- Students gained basic knowledge about banking and insurance auditing.
- They understood the importance of auditing for maintaining financial transparency and preventing fraud.
- The activity improved students' analytical and critical thinking regarding financial systems.
- Students developed confidence in expressing their ideas and participating in academic seminars.
