Experiential Learning Activity: “Debate”

By: Dr. Laxmikant N. Soni

Date of Activity: 18/08/2025

No. of Student Participants: 19

Objectives of the Activity:

1. To develop students' communication and public speaking skills.
2. To enhance critical thinking and logical reasoning abilities.
3. To encourage students to express and defend their opinions confidently.
4. To help students understand the advantages and challenges of online and offline classes.
5. To improve listening skills and respect for opposing viewpoints.
6. To promote teamwork, participation, and healthy academic discussion.
7. To create an interactive and student-centered learning environment.

Description of the Activity:

A Debate activity was conducted in the classroom on the topic **“Online Classes Vs Offline Classes.”** The activity was organized to encourage students to express their views, develop argumentative skills, and analyse the advantages and disadvantages of both modes of learning. Students actively participated by presenting their opinions with supporting points, examples, and logical reasoning.

The class was divided into two groups, where one group supported online classes while the other supported offline classes. The debate created an engaging and interactive learning environment that encouraged healthy competition and respectful exchange of ideas. Students discussed various aspects such as flexibility, accessibility, classroom interaction, discipline, technology, and effectiveness of learning. The activity helped students improve their confidence, communication abilities, and critical thinking skills.
